Department of spiritual and educational work, and work with gifted students, Department of Planning and Finance, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres	The situation of students in need of social protection studying at the university has been studied, and today, 431 students in need of social protection have been identified. All those in need have been covered by the social protection measures.

	<p><b>1.a.</b> Ensure significant mobilization of resources from a variety of sources, including through enhanced development cooperation, in order to provide adequate and predictable means for developing countries, in particular least developed countries, to implement programmes and policies to end poverty in all its dimensions.</p>	<p>Department of Planning and Finance, Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres</p>	<p>According to the decision of the Cabinet of Ministers of the Republic of Uzbekistan dated December 24, 2019 № 1030 "On payment of additional fee to employees of scientific level engaged in scientific, scientific pedagogical and labor activity in state organizations in the field of Science and education", additional fee to the employees of the University who have a scientific level training, including, he was appointed on the basis of his contribution to increasing the prestige of the University both within the country and abroad. The surcharge is up to 30% of the salary of a candidate of science or doctor of philosophy (or equivalent in foreign countries) and up to 60% of the salary of a doctor of science (or equivalent in foreign countries).</p>
	<p><b>1.b.</b> Create sound policy frameworks at the national, regional and international levels, based on pro-poor and gender sensitive development strategies, to support accelerated investment in poverty eradication actions.</p>	<p>Department of spiritual and educational work, and work with gifted students, Department of Planning and Finance, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres</p>	<p>Meetings are being held at the university to end the low-income students. The meetings will focus on gender issues. The university has developed an action plan for the implementation of the strategy for achieving gender equality for 2021-2022.</p>
<p><b>Goal 3.</b> Ensure healthy lives and promote well-being for all at all ages.</p>	<p><b>3.3.</b> By 2030, end the epidemics of AIDS, tuberculosis, malaria and neglected tropical diseases and combat hepatitis, waterborne diseases and other communicable diseases.</p>	<p>Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>Professors of the Department of Ecology and Life Safety on the reduction of tuberculosis and HIV infection among the population of the region and university professors, staff and students, as well as the fight against water-borne hepatitis and other infectious diseases and their prevention lectures, roundtables, meetings and presentations are held regularly.</p>

	<p><b>3.4.</b> By 2030, reduce by one third premature mortality from non communicable diseases through prevention and treatment and promote mental health and wellbeing.</p>	<p>Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>Medical examination of professors, staff and students working at the university to reduce premature deaths due to cardiovascular, oncological, diabetes and chronic respiratory diseases by 30% by 2030 Implemented in collaboration with the Samarkand City Medical Association.</p>
	<p><b>3.5.</b> Strengthen the prevention and treatment of substance abuse, including narcotic drug abuse and harmful use of alcohol.</p>	<p>Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>Activities were organized with university students and partner organizations to improve the prevention and treatment of addiction to psychoactive substances, including drug and alcohol abuse.</p>
	<p><b>3.6.</b> By 2020, halve the number of global deaths and injuries from road traffic accidents.</p>	<p>Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>The number of traffic accidents until 2025, including the prevention of traffic accidents caused by violations of traffic rules by pedestrians with the participation of students of the Department of Traffic Safety of the Samarkand region - Meetings were held on the consequences of traffic accidents, measures to prevent them.</p>

	<p><b>3.7.</b> By 2030, ensure universal access to sexual and reproductive healthcare services, including for family planning, information and education, and the integration of reproductive health into national strategies and programmes.</p>	<p>A public organization working with women, Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>A number of practical measures are being taken to improve the general use of sexual and reproductive health services, including family planning and marriage extension services for girls under the age of eighteen, as well as national strategies and programs for reproductive health. . In particular, it is important to attract them to sports clubs, because sports improve the functioning of all organs of the human body, increase immunity. At the same time, table tennis, chess and other sports games and sports clubs are well organized. All facilities are available. Separate sports rooms in each dormitory are equipped with modern equipment.</p>
	<p><b>3.8.</b> Achieve universal health coverage, including financial risk protection, access to quality essential healthcare services and access to safe, effective, quality and affordable essential medicines and vaccines for all.</p>	<p>Department of Ecology and Life Safety, Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>In order to prevent the spread and spread of Covid-19 disease, the leadership of Samarkand State University in cooperation with the regional health department sent a centralized medical center on the territory of the university to vaccinate professors, staff and students of Samarkand. 90% of professors, teachers and staff of the polyclinic were invited and vaccinated with vaccines such as China-Uzbekistan, Sputnik, Moderna.</p>

	<p><b>3.b.</b> Support the research and development of vaccines and medicines for the communicable and non communicable diseases that primarily affect developing countries, provide access to affordable essential medicines and vaccines, in accordance with the Doha Declaration on the TRIPS Agreement and Public Health, which affirms the right of developing countries to use to the full the provisions in the Agreement on Trade Related Aspects of Intellectual Property Rights regarding flexibilities to protect public health, and, in particular, provide access to medicines for all.</p>	<p>Department of Ecology and Life Safety, Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>The Department of Ecology and Safety of Life Prof. EE Qobilov, Associate Professor MK Tukhtaev and other professors and teachers instructed the population of 29 mahallas in Samarkand on infectious and non-communicable diseases, their treatment and vaccination , explanatory work on the negative consequences of coronavirus disease. There is a growing awareness among the community about diseases and their consequences. The medical rooms set up for faculty, staff and students in the university dormitories are fully stocked with the medicines needed for first aid.</p>
<p><b>Goal 4.</b> Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.</p>	<p><b>4.1.</b> By 2030, ensure that all girls and boys complete free, equitable and quality primary and secondary education leading to relevant and effective learning outcomes.</p>	<p>Educational methodical management, Department of spiritual and educational work, and work with gifted students, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>In order to raise the training to a new level of quality, which ensures the achievement of relevant and effective learning outcomes, the training was transferred to the credit system.</p>
	<p><b>4.3.</b> By 2030, ensure equal access for all women and men to affordable and quality technical, vocational and tertiary education, including university.</p>	<p>Educational methodical management, Department of spiritual and educational work, and work with gifted students, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>Two technical schools were established at the university, academic lyceums, technical schools and quotas for admission of pupils and students were increased.</p>

	<p><b>4.5.</b> By 2030, eliminate gender disparities in education and ensure equal access to all levels of education and vocational training for the vulnerable, including persons with disabilities, indigenous peoples and children in vulnerable situations.</p>	<p>Educational methodical management, Department of spiritual and educational work, and work with gifted students, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>A fund of audio books for blind students has been created, additional corridors have been created for students with disabilities to access the information resource center and educational buildings, and special places have been created in the information resource center for this type of students. Academic classes for students with disabilities were held in the auditoriums on the first floors of the buildings.</p>
	<p><b>4.7.</b> By 2030, ensure that all learners acquire the knowledge and skills needed to promote sustainable development, including, among others, through education for sustainable development and sustainable lifestyles, human rights, gender equality, promotion of a culture of peace and nonviolence, global citizenship and appreciation of cultural diversity and of culture's contribution to sustainable development.</p>	<p>Educational methodical management, Department of spiritual and educational work, and work with gifted students, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>Curricula and programs have been optimized, improved based on foreign experience and employers' suggestions to ensure that students acquire the knowledge and skills needed to promote sustainable development.</p>
	<p><b>4.a.</b> Build and upgrade education facilities that are child, disability and gender sensitive and provide safe, nonviolent, inclusive and effective learning environments for all.</p>	<p>Educational methodical management, Department of spiritual and educational work, and work with gifted students, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>To ensure a safe and effective learning environment at the university, all classrooms and laboratories have been equipped with surveillance cameras, and tutoring activities have been set up to constantly study students' problems and solve them quickly.</p>

	<p><b>4.b.</b> By 2020, substantially expand globally the number of scholarships available to developing countries, in particular least developed countries, small island developing States and African countries, for enrolment in higher education, including vocational training and information and communications technology, technical, engineering and scientific programmes, in developed countries and other developing countries.</p>	<p>Educational methodical management, Department of spiritual and educational work, and work with gifted students, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>The contract payments of 50 women were covered by the university, and more than 400 students in need of social protection were provided with financial assistance (grants). On the basis of international educational grants, 2 students went to Sunchunhyang University of Korea, 36 students to STANKIN University of Russia, 18 students online to Shanxi Normal University of China, 19 masters to North Caucasus University of Russia, Tomsk University and STANKIN University, 6 masters online form at the Moscow University of Psychoanalysis, 1 doctoral student was awarded an educational grant on the basis of a grant from the Hungarian government.</p>
	<p><b>4.c.</b> By 2030, substantially increase the supply of qualified teachers, including through international cooperation for teacher training in developing countries, especially least developed countries and small island developing States.</p>	<p>Educational methodical management, Department of spiritual and educational work, and work with gifted students, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>42 professors and researchers have been trained abroad on the basis of international grants.</p>

<p><b>Goal 5.</b> Achieve gender equality and empower all women and girls.</p>	<p><b>5.3.</b> Eliminate all harmful practices, such as child, early and forced marriage and female genital mutilation.</p>	<p>A public organization working with women, Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>The University with partner organizations regularly organizes roundtables and meetings with students about early marriages and forced marriages which are one of the main factors influencing the strength of young families and some parents give their underage daughters to marriage without thinking about the fate and happiness of their child or marriages between relatives, as a result, girls are being married at the age of eighteen or even younger, often negatively affecting the health and psyche of the expectant mother, as well as the strength of the young family, the health of the unborn child.</p>
	<p><b>5.5.</b> Ensure women's full and effective participation and equal opportunities for leadership at all levels of decisionmaking in political, economic and public life.</p>	<p>A public organization working with women, Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>The university provides equal opportunities for women to participate fully in all stages of political, economic and social life, as well as to lead in decision-making. At the university, women are appointed vice-rectors and department heads. On October 20, 2018, the Cabinet of Ministers of the Republic of Uzbekistan adopted Resolution No. 841 "On measures to implement national goals and objectives in the field of sustainable development until 2030" and the 5th goal of this document Roundtables and seminars on gender equality and empowerment of all women are being held in Uzbekistan.</p>

	<p><b>5.a.</b> Undertake reforms to give women equal rights to economic resources, as well as access to ownership and control over land and other forms of property, financial services, inheritance and natural resources, in accordance with national laws.</p>	<p>A public organization working with women, Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>In order to expand programs that support women in the realization of their rights and interests in the socio-economic sphere, proposals have been developed to support innovation to expand the rights and opportunities of women in order to ensure their broad participation in socio-economic life. work has been organized on this.</p>
	<p><b>5.b.</b> Enhance the use of enabling technology, in particular information and communications technology, to promote the empowerment of women.</p>	<p>A public organization working with women, Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>In order to promote the rights and opportunities of women, efforts are being made to use high-performance technologies, in particular, to prevent the use of various harmful information spread on social networks, and to use the Internet correctly and effectively in order to make more active use of information and communication technologies.</p>
	<p><b>5.c.</b> Adopt and strengthen sound policies and enforceable legislation for the promotion of gender equality and the empowerment of all women and girls at all levels.</p>	<p>A public organization working with women, Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>Today, there are 5 women heads of state in the world, which is 5% of the total, and only 16 in the world. The role of women in the democratic renewal and modernization of the country: the experience of Uzbekistan and He spoke at an international conference on "International practice." Therefore, work is underway to fully integrate the principles of gender equality in the process of adopting government programs at various levels of government.</p>

<p><b>Goal 6.</b> Ensure availability and sustainable management of water and sanitation for all.</p>	<p><b>6.1.</b> By 2030, achieve universal and equitable access to safe and affordable drinking water for all.</p>	<p>Department of Ecology and Life Safety, Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>In cooperation with professors, students and staff of the Department of Ecology and Life Safety of Samarkand State University and the staff of the Department of Ecology and Environmental Protection of Samarkand region, measures were taken to rationally use water resources, pollution, environmental education and culture was formed.</p>
	<p><b>6.3.</b> By 2030, improve water quality by reducing pollution, eliminating dumping and minimizing release of hazardous chemicals and materials, halving the proportion of untreated wastewater and substantially increasing recycling and safe reuse globally.</p>	<p>Department of Ecology and Life Safety, Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>The dissertation work on the influence of anthropogenic factors on bivalve mollusks in the Sangzor River is being carried out by Bobomurodov Zokir Abdukakhorovich, a basic doctoral student of the Department of Ecology and Life Safety. The main goal is to significantly reduce the pollution of terrestrial waters as a result of human activities, as well as to increase the safe use of wastewater, to preserve biodiversity.</p>
	<p><b>6.4.</b> By 2030, substantially increase water use efficiency across all sectors and ensure sustainable withdrawals and supply of freshwater to address water scarcity and substantially reduce the number of people suffering from water scarcity.</p>	<p>Department of Ecology and Life Safety, Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>In order to significantly increase the efficiency of water use in all sectors of the economy, graduates of the Department of Ecology and Life Safety Phase from second grade of master degree students has increased the number of medicinal leeches and bivalves, improve water quality and conserve biodiversity. Master's dissertations are being completed</p>

	<p><b>6.5.</b> By 2030, implement integrated water resources management at all levels, including through transboundary cooperation as appropriate.</p>	<p>Department of Ecology and Life Safety, Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>In collaboration with the Department of Ecology and Life Safety and the Zarafshan Irrigation Basin Department agreed to work on the use of Zarafshan river water, conservation of hydrobionts in rivers, ensuring the management of water resources, including, if necessary, cross-border cooperation. taken.</p>
	<p><b>6.6.</b> By 2020, protect and restore water related ecosystems, including mountains, forests, wetlands, rivers, aquifers and lakes.</p>	<p>Department of Ecology and Life Safety, Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>The Flamingo Student Club has been established at the Department of Ecology and Life Safety. The main purpose of the club is to preserve wetlands, rivers, nature reserves, aquifers and lakes, as well as birds and ecosystems. Club members meet once a week on the last Friday of each month</p>
<p><b>Goal 8.</b> Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all.</p>	<p><b>8.6.</b> By 2020, substantially reduce the proportion of youth not in employment, education or training.</p>	<p>Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>By 2030, the university plans to significantly reduce the proportion of young people who are unable to acquire professional skills through the organization of career-oriented clubs and the widespread involvement of students in clubs, so that they can acquire professional skills based on their interests. Today it is gradually being reduced.</p>

	<p><b>8.8.</b> Protect labour rights and promote safe and secure working environments for all workers, including migrant workers, in particular women migrants, and those in precarious employment.</p>	<p>Personnel Department, Department of Civil Protection and Labor Protection, Department of spiritual and educational work, and work with gifted students, Educational methodical management, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>In order to protect the labor rights of employees, the university has established a department of "Civil and labor protection", which provides them with safe working conditions.</p>
<p><b>Goal 10.</b> Reduce inequality within and among countries.</p>	<p><b>10.4.</b> Adopt policies, especially fiscal, wage and social protection policies, and progressively achieve greater equality.</p>	<p>Department of Civil Protection and Labor Protection, Department of Planning and Finance</p>	<p>The Planning and Finance Department received and summarized notices of awarding overtime to the category of employees who actively participated in public affairs, demonstrated their personal qualities and enthusiasm at the events, and issued an order based on the overall draft order.</p> <p>Following the approval of the budget for 2021 and the budget of extra-budgetary annual expenditures, measures are being taken to redistribute the funds allocated to the special fund of financial incentives and to allocate financial aid, holidays and awards from these funds.</p>
<p><b>Goal 15.</b> Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land</p>	<p><b>15.1.</b> By 2020, ensure the conservation, restoration and sustainable use of terrestrial and inland freshwater ecosystems and their services, in particular forests, wetlands, mountains and drylands, in line with obligations under international agreements.</p>	<p>Department of Ecology and Life Safety, International Cooperation Department, Department of scientific researches and training the scientific-pedagogical cadres, Department of Planning and Finance</p>	<p>In conjunction with the Department of Ecology and Life Safety and partner organizations annually held an event on the occasion of World Wetlands Day on February 2, lectures by professors and students, wetlands for students, mountain and skills on the importance of conservation, restoration, and rational use of arid lands.</p>

degradation and halt biodiversity loss.	<p><b>15.2.</b> By 2020, promote the implementation of sustainable management of all types of forests, halt deforestation, restore degraded forests and substantially increase afforestation and reforestation globally.</p>	<p>Botanical Garden, Department of Ecology and Life Safety, Department of scientific researches and training the scientific-pedagogical cadres</p>	<p>A project on the reconstruction of the Botanical Garden of SamSU has been developed. In 2021, the international status of the Botanical Garden was adopted. A project on reproduction of promising ornamental trees worth one billion soums has been prepared and submitted to the Ministry of Innovation.</p>
	<p><b>15.4.</b> By 2030, ensure the conservation of mountain ecosystems, including their biodiversity, in order to enhance their capacity to provide benefits that are essential for sustainable development.</p>	<p>Faculty of Biology, Department of Ecology and Life Safety, Department of scientific researches and training the scientific-pedagogical cadres</p>	<p>Optimal norms of reproduction and cultivation of Lycium L. species have been introduced in the practice of forestry and farms of Samarkand and Kashkadarya regions (State Committee on Forestry of the Republic of Uzbekistan 2021 10 reference No. 03 / 21-3666 of September). As a result, it was possible to develop methods for growing a variety of jungle, and on this basis to create nurseries on an area of 6.5 hectares. The status of natural populations of light species was monitored, a GAT map was developed and introduced into the activities of the Department of Ecology and Environmental Protection of Samarkand and Khorezm regions. Reference No. 21-3666). As a result, it was possible to increase the number of farms in Pstdargom district of Samarkand region and Gurlan district of Khorezm region on 1.5 hectares of rocky, barren lands, to prevent soil erosion and to determine their distribution areas.</p>

	<p><b>15.5.</b> Take urgent and significant action to reduce the degradation of natural habitats, halt the loss of biodiversity and, by 2020, protect and prevent the extinction of threatened species.</p>	<p>Faculty of Biology, Department of Ecology and Life Safety, Department of scientific researches and training the scientific-pedagogical cadres</p>	<p>Extensive research has been conducted to assess the biodiversity of flora and fauna of mountain ecosystems. A habitat conservation plan has been developed.</p> <p>Recommendations have been made to identify the number of rare and endangered species, to study the causes of the decline and to preserve them.</p>
<p><b>Goal 17.</b> Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development.</p>	<p><b>17.1.</b> Strengthen domestic resource mobilization, including through international support to developing countries, to improve domestic capacity for tax and other revenue collection.</p>	<p>Faculty of Human Resource Management, Department of Planning and Finance, Accounting Department</p>	<p>The university has taken a wide range of measures to implement socio-economic programs. The university provides financial assistance to students in need of social protection and provides free dormitories. Some professors and teachers were also provided with social and financial assistance. Based on the strategic goals and objectives of the development of the higher education system, the educational process has been provided with a variety of modern laboratory equipment and teaching aids. Educational buildings and facilities are being built on the basis of economic programs developed at the university. Grants were attracted to the university on the basis of state and foreign grants.</p>
	<p><b>17.8.</b> Fully operationalize the technology bank and science, technology and innovation capacity building mechanism for least developed countries by 2017 and enhance the use of enabling technology, in particular information and communications technology.</p>	<p>Department of Commercialization of Scientific and Innovative Developments, Department of scientific researches and training the scientific-pedagogical cadres</p>	<p>Universitetda mavjud ilmiy-innovatsion ishlanmalar banki tashkil qilinib, ularni tijoratlashtirish maqsadida transfer.samdu.uz platformasiga joylashtirildi, shuningdek viloyat hokimligi va Innovatsion rivojlanish vazirligiga taqdim etildi.</p>

	<p><b>17.17.</b> Encourage and promote effective public, public private and civil society partnerships, building on the experience and resourcing strategies of partnerships.</p>	<p>Faculty of Human Resource Management, Department of Planning and Finance, Operation and Maintenance Department</p>	<p>The university has established a public-private partnership to implement socio-economic development programs, within which dormitories, academic buildings and buildings are being built. A memorandum of cooperation was signed with the Republican Agency for Civil Service Development at the University.</p>
