LETTER OF INTENT

Between

UTMSPACE

Levels 4 and 5, Block T05, Universiti Teknologi Malaysia, 81310 Skudai, Johor, Malaysia

And

Samarkand State University, University Boulevard, 15

Samarkand, Republic of Uzbekistan

The UTMSPACE and the Samarkand State University have decided to look into possibilities of establishing academic and scientific relations in order to exchange knowledge and experiences which contribute to the mutual benefit of both parties.

The Parties believe that the educational and professional development opportunities for their students and staff would be enhanced by a general understanding of cooperation: and

The purpose of this Letter of Intent is to establish a general framework within which academic and professional cooperation may develop between the institutions.

NOW, THEREFORE, the Parties have the intention to agree as follows:

The Parties indicate their willingness to look into the possibilities of close cooperation in the promotion of teaching and learning activities which includes:

- Collaboration in offering academic Programmes;
- Visits and exchanges of Professors, employees, and students;
- Collaborative research projects and joint initiatives such as seminars and conferences;
- Study abroad and Summer School Programmes;
- Industrial Training Programmes;
- Professional Development Programmes; and
- Student Recruitment

The Parties herein have the intention to agree that efforts and endeavours be made so that the above mentioned cooperation, the term and other requirements of the same are formalized in the form of a proper Memorandum of Understanding (MoU) to be executed on a date to be accorded by the Parties.

Now, the Parties herein have set their hands the day and year first above written.
