 - Each academic year one institution will allow no more than five students from the other institution to enrol as exchange students. The actual number of students to be exchanged will be determined every year by mutual consultation in advance.  - If after an initial fee waiver period of 2 academic years (upon signing of the Memorandum of Understanding), the exchange of students is unilateral (without the other institution actually sending students for exchange), the waiver policy may be superseded, and exchange students from the sending institution may be required to pay tuition fee to the receiving institution.

However, all other applicable items of this Memorandum will remain in force, but only for the continuation of the current year.
