

Memorandum of Understanding

Between

**Center for Teacher Education and Research (ZLSB),
Technische Universität Dresden (Party A)**

and

**Samarkand State University
Named After Sharof Rashidov (Party B)**

This Memorandum of Understanding (MoU) is entered into between ZLSB and *name of the institution* with the aim of promoting cooperation in the following areas:

1. Student Exchange:

Both parties agree to facilitate student exchanges to promote cultural understanding, academic enrichment, and personal growth.

2. Staff Exchange:

Both parties will support staff exchanges to encourage the sharing of best practices, knowledge, and expertise in the field of education.

3. Virtual Mobility:

Recognizing the importance of virtual mobility, both institutions will explore opportunities for virtual collaboration, joint projects, and online learning initiatives, such as

- Co-Teaching:
Collaborative teaching activities which provide students with diverse perspectives and enhance the quality of education.
- Collaborative Virtual Learning:
Collaborative virtual learning experiences that leverage technology to enhance student learning outcomes.

4. Joint Research:

Both institutions will promote joint research projects, academic publications, and collaborations that contribute to the advancement of knowledge in the field of education.

This MoU is effective upon signature by both parties and will remain in force for a period of FIVE YEARS. Either party may terminate this agreement with a written notice within 14 days.
